EDUCATION

St Peter's Boys' primary school Mumias
From January 2007 – November 2014
Graduated with the Kenya Certificate of Primary Education
St Luke's boys' high school Kimilili
From January 2015 – November 2019
Kenya Certificate of Secondary Education
Chuka university
From November 2019 – April 2023
Undergraduate degree in computer science.

WORK EXPERIENCE

Siaya County ICT Office as an ICT assistant
May 2022–august 2022
I have created and implemented network routing and access points in the organization. In addition, I also managed to maintain and repair the computers and the server system and monitor the network flow of data from the organization to other branches of the organization.
